note of reality to everything that has gone on here. We've talked about the babies, now we hear from the baby. Show how intelligent babies are, now that he or she, I can't tell by the cry, if I listen long enough I could tell, he or she became aware of what was being said and decided to listen, and would like, if she or he were able, to stand on the balcony and say, why will you not...do you hear what the child said? (Baby crying and babbling in Chamber balcony.) Why will you not listen? (Laughter.) Why are you unwilling to do that which is right? And because you won't, the child is crying. The reality of the situation is that we have an amendment before us, which I'm trying to get...

SENATOR SCHIMEK: Time.

SENATOR CHAMBERS: ...you to adopt.

SENATOR SCHIMEK: I might add, timing is everything, Senator Chambers. (Laughter.) You just heard the closing on the Chambers motion to reconsider the Crosby amendment, AM4147. All in favor of the reconsideration motion please vote aye, those opposed nay. Record vote has been asked. Have you all voted? Record, Mr. Clerk. The Chambers motion to recon....

ASSISTANT CLERK: (Record vote read as found on pages 1546-47 of the Legislative Journal.) The vote is 11 ayes, 21 nays on the motion to reconsider.

SENATOR SCHIMEK: Thank you. The motion to reconsider fails, and we go back to the committee amendments. The call is raised. Yes. Mr. Clerk, are there items for the record?

CLERK: Madam President, there are. Senator Abboud has amendments to LB 913; Senator Witek to LB 1003; Senator Beutler to LB 1045 and LB 1275; Senator Bohlke to LB 1310. I have study resolutions, LR 392, LR 393 by Government Committee, LR 394 by Senator Will, LR 395, LR 396 by Senator Janssen. (See pages 1547-56 of the Legislative Journal.)

Madam President, the next motion I have with respect to the committee amendments on LB 1224 is by Senators Dierks, Crosby and Chambers, AM4132. (Amendment may be found on page 1556 of the Legislative Journal.)

SENATOR SCHIMEK: Senator Dierks, on the amendment 4132.
